

## Opener and Responder Rebids *Workshop: Review and Application*

Summer 2021

Meagan Powell is offering 6 weeks in Series II of Opener and Responder Rebid workshops.

Each week will focus on a particular aspect in Opener's Rebids or Responder's Rebids.

These workshops are for players who want to practice their Standard American Opener and Responder Rebids.

Standard American is the bidding system you learn starting your first year of Bridge and continues onward until YOU decide when / if to take on higher-level bidding systems like 2-Over-1 and 1NT Forcing systems.

(These workshops are not really for players who are already playing the higher-level 2-Over-1 and 1NT Forcing Bidding System.)

**Format:** 1 hour and 45 minutes total  
30-40 minute Lecture and then lots of practice in Shark Bridge Software on each week's topic.

There will be a PDF for pre-class work and a video that will accompany the PDF work.

There will be a PDF after the play with the Shark hands and bidding narratives.
